Assignment correcting _____ Date of original assignment/test _____

Purpose:

- *In order to receive credit back on your assessment you must follow the instructions below completely or credit will not be received.*
- *Half credit will be issued to problems that are **answered correctly and follow the instructions completely.***

1. Write the number of the problem you missed.
2. Show **all** your work/thinking to show that you **now** understand the problem and how to solve it.
3. After solving, calculating, and/or explaining your change in answer, write the correct answer in the "answer" column, next to your work, unless it is too large to fit. You are able to attach a piece of notebook paper if necessary.
4. **You must understand why you missed a problem in order to correct/revise it. For each problem you must also explain why you missed the problem.**
5. Begin the same process to correct the next problem.
6. **ATTACH THIS SHEET TO THE ORIGINAL ASSESSMENT.**
